Member's Quick Guide

version 1.01

WELCOME TO CTC!

CTC welcomes you on being a member of Clubview Tennis Club. We trust that you will feel at home and enjoy being part of our tennis family. We invite you to enjoy your tennis in a fun and happy atmosphere.

Situated in the heart of Clubview, within a public park area, Clubview Tennis Club (CTC) is quiet, away from traffic and yet easily accessible from the N1 highway and Old Johannesburg Road.

CTC offers *Tennis for Everyone*, no matter the level of playing ability. In addition, CTC offers professional tennis coaching for those wanting to improve their tennis and for the more competitive tennis player.

We welcome players of all ages and from all sections of the community. CTC maintains a balance between social and competitive play as each member has a special quality to offer at CTC.

PLAYING TIMES AND CLUBHOUSE HOURS

While members are welcome to play at all times, there are a number of activities at the club, both during the week and weekend, which take priority.

At the following times, there is organised social play for members:

- Wednesday: From 18:00 until we run out of players.
- Saturday: From 13:00 until late afternoon. Full members may participate.

There is no need to make an appointment or organise anything. Just arrive and participate.

A member of the Management Committee will be present and assist in setting up playing teams and answer any questions you may have.

During the week and on Saturday mornings some of the courts are reserved for coaching. Other courts are available to all members on a first come, first serve (pun intended) basis. The club is looking at implementing a court booking system in the near future.

During Saturday league, there is reduced social tennis activity but at least one of the courts will be available for social play. If you are not participating in the league, please still join us for social tennis.

The clubhouse (with bathroom facilities) will be open during official club activities and generally also when coaching is taking place.

Please visit the CTC website for more detail about the weekly schedule, availability of courts and planned activities such as league, other competitions and fun days.

ACCESS

Members gain access to the club grounds via a vehicle or pedestrian gate.

The vehicle gate is controlled via a mobile system. If you have not been given access and instructions, please contact info@clubviewtennis.co.za for assistance.

Access via the pedestrian gate is via a key, which also provides access to the 5 courts.

One key fits all our courts. A once off payment of R30 is added to your invoice for a court key. The court key will be available for collection from the club. If you have not received a key yet, please contact info@clubviewtennis.co.za for assistance.

Please ensure that courts are locked when finished playing and before you leave.

LIGHTS

There are two courts under lights. Members may play on these courts, provided booking procedures are followed, at no cost.

BALLS

The club has a partnership with Dunlop who provides the tennis balls to the club and we are therefore able to supply new balls for club social on a Saturday afternoon and for all our league matches.

Wednesday evening social has an allocation of new balls and from time to time will also use good used tennis balls.

For all other play, members are requested to provide their own balls. We do not lend out balls at all.

Balls in containers in the clubhouse are the property of the coaches and not available to members except under the supervision of the relevant coach.

VISITORS

We welcome visitors to the club.

There is a R30 visitor's fee.

Members are allowed one visitor on weekdays, free of charge. For more than one visiting player, a fee of R30 per visitor will be charged.

Non-members get 2 free Saturday afternoon visits, thereafter they need to either join the club or pay the visitor's fee.

JUNIORS

The future of any tennis club lies in the hand of the youth.

Our Junior Club is very important to the club and we look to cater for all playing levels by incorporating the red, orange and green tennis ball players along with those playing with the formal tennis ball.

The Junior Club runs on a Saturday morning and interested parties can contact Erick de Jager (Junior Club Co-ordinator) on 084-815-7997 for further information.

WEBSITE, SOCIAL MEDIA AND NEWS

Members are encouraged to visit the CTC website www.clubviewtennis.co.za and like the CTC Facebook page (fb/ClubviewTennis). All news and information is updated on the website and Facebook.

Members who may know of any newsworthy material should please send this through as the website and social media are aimed at being interactive. CTC would also like to share news of members' achievements outside of tennis.

Information can be sent to info@clubviewtennis.co.za

STRINGING

No need to drive to some distant racquet stringing shop. Stringing is available at CTC.

Contact Erick de Jager for various options available. CTC Members do receive a discounted rate.
