Housekeeping

version 1.0

CTC HOUSEKEEPING

CTC is a club that we believe should be home away from home. However, in order to ensure that all members have an enjoyable experience at CTC, there are general housekeeping rules that we would appreciate the members/patrons to consider:

1. The CTC clubhouse is a Smoke Free Area. While smoking is permitted on the patio, please refrain from smoking inside.
2. No pets permitted on the CTC grounds.
3. Please assist in keeping the CTC clubhouse, toilets and grounds tidy. Take care of your own litter by using the trash cans provided. Keeping CTC clean is the responsibility of all concerned.
4. Safety is everyone's concern and responsibility. When you leave the club, kindly ensure that the front gate has closed before leaving in order to ensure that no one enters the grounds.
5. When you play social tennis during the week, kindly ensure that the court is locked before you leave.
6. When you remove plastic chairs from the clubhouse, please ensure that they are returned.
7. When you have played under the floodlights, please ensure that, if you are last to leave, the floodlights have been switched off and the light box is locked.
8. Players have to wear acceptable tennis attire at all times. Tennis shoes, cross trainers or running shoes are permitted, provided that they do not mark the court.
9. Chewing gum, alcohol or cigarettes are not permitted on court.
10. Members are entitled to have one visitor join them for social tennis during the week. Additional visitors have to pay a visitor's fee of R20.
11. All visitors who participate on Saturday afternoons have to pay a visitor's fee of R20.
12. When utilising the lounge area inside the clubhouse, please do not place your feet on the chairs or the tables.
13. The Social Board can only be operated by committee member. Members have to ensure that their disk is placed correctly in order to be drawn for social.
14. Access to the kitchen is only available to committee members.
